SOURCE LIST

EVERY FACT A POST CAN USE

> Posts only use facts from this page. Ready to use items came from your public website. For each Needs your OK item, a yes, a correction, or a number is all it takes, and anything you'd rather leave out simply moves to off limits.

FACT	WHERE IT CAME FROM	STATUS
Four services: life care plans, future medical cost projections, functional and support needs analysis, and plan review with rebuttal analysis	Your website	READY TO USE
